Life Education

Dear Parent / Carer,

Life Education NSW and Healthy Harold will be visiting our school between Friday July 21 and Thursday August 3. Each class will visit the inflatable classroom in the hall during this period.

The programs address many of the components and objectives within the NSW PD/H/PE curriculum. The Life Education program complements school/class programs.

Students will be engaging in the following programs:

Kindergarten- *My Body Matters*

Stage 1- *Safety Rules!*

Stage 2- *BCyberWise*

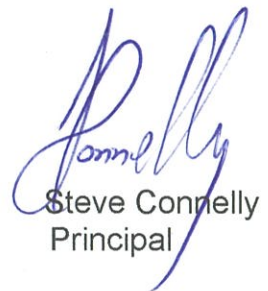

Stage 3- *Relate, Respect, Connect*

All students will attend the Life Education program unless parents have notified class teachers that they do not wish their child to attend. If you need to discuss the program's content, contact your child's teacher. The cost of this excursion was included in the Statement of Account and you will be sent a reminder via email if you have not yet paid.
