## *Harmony Day 2023*

Dear Parents / Carers,

This year Mosman Public School will be celebrating **Harmony Day** on **Tuesday March 21, 2023**. Harmony Day celebrates Australia's cultural diversity and is about inclusiveness, respect, and a sense of belonging for everyone.

To help celebrate Harmony Day, students are encouraged to dress up in orange (the Harmony Day colour) clothing or accessories on the day, or if they prefer a National Costume of their choice.

The canteen will be selling Harmony Day finger buns. These will be individually wrapped with orange icing and have no sultanas. Parents are able to order these online through Flexischools from Wednesday March 1 until 3pm on Friday March 17. Finger Buns will be delivered to the classroom.

All classes from K-6 will be participating in multicultural activities throughout the day. The activities will include listening to and reading stories from other cultures, art activities and learning new games.

We look forward to celebrating this special occasion with all students.
