

K-2 afternoon student dismissal 2023

Dear Parents / Carers,

In order to ease congestion in buildings of an afternoon, all K-2 teachers will bring their class to the playground for dismissal:

Kindergarten to Lower Myahgah
Year 1 to Gouldsbury
Year 2 to Gouldsbury

To promote student safety, please indicate the afternoon arrangements for your child/ren on the slip below and return it to the notes / payment chute in the office counter. Please return on Monday February 6, once students have been assigned their 2023 class [1 per student is required].

If there are changes to these arrangements or you're running late, please call 9969 9325 as soon as practicable. Students who are unsure of arrangements or have not been collected will be escorted to the office and parents / carers contacted.
