PRINCIPAL'S REPORT

Dear Parents,

Wow! What an amazing difference to the Myahgah playground, we are all absolutely thrilled! **Thank you P&C for this wonderful asset for our school.**

Congratulations and special thanks to the Sport Committee and especially to Adrienne Gale who has done a brilliant job in organising and managing the work. Our children and teachers will be grateful to you for many years to come.

It was lovely to welcome our **Kindergarten 2014** this week for their first Orientation Day. **Special thanks to the 2013 Kindy Mums** who put on such a delicious morning tea and to **Sarah Kirwan and her gorgeous models** who showed off our school uniform. The second Orientation Day will be on Tuesday of next week. If you know of someone who has yet to enrol their child, please ask them to do so ASAP.

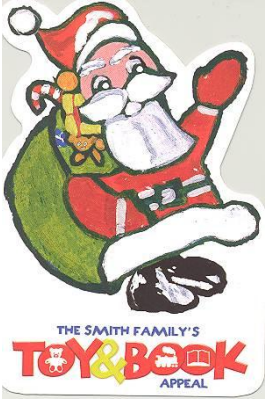

Over the past few weeks there have been several incidences of **thoughtless and dangerous parking** around our school by parents dropping off and picking up children. Please be aware that the **school end of Gouldsbury Street is a no stopping area** and parents should not park there whilst they walk their children inside the school. This also applies to the **bus zone in Myahgah Street** where an accident was closely averted recently which could have caused serious injury or worse.

Please drive carefully and park legally around our school, I have requested the Rangers to patrol.

Best wishes,
Kate Cooper

STUDENT HAPPENINGS

Smith Family Christmas Appeal

Each year Mosman Public School excels in providing wonderful gifts for the Smith Family Christmas Appeal. Once again, we ask students and parents to support this appeal. Gift tags are available in the office foyer which can be attached to gift bags. All gifts and books should **not** be wrapped as the Smith Family needs to check their suitability. We suggest you send them **in a large gift bag no bigger than a school backpack**. This worked well last year. Could you please bring gifts in by Monday 9th December for delivery to the Smith Family. **Thank you for your help and support.**

Our Visit to Mosman Art Gallery

On Wednesday we went to Mosman Art Gallery. Parent helpers came too.

First, Bianca our leader, gave us a tour around the gallery. We went to the top level first. I watched a video in a very dark room at the back of the top level. On the top level there were lots and lots of sculptures. My favourite was a metal sculpture that was decorated in sea colours hanging from the ceiling. Next we went downstairs. On that level there was a lot of pictures. My favourite picture was lots of little pictures all attached to each other. It was just like a cut up picture.

Next it was time to go crazy making a mobile with feathers, string and snipped up pieces of Happy Birthday signs on string. Mine was random.

I loved the Art Gallery and I can't wait to go on an excursion again!

On Wednesday, 22nd October, 2H walked to the art gallery with Izzy's dad, Emilia's mum and Francisca's mum. It was hot!

When we got to the art gallery and stepped inside, it was so nice and cool.

First we had a short talk about a few things.

Next we walked upstairs to look at the art works. After that we went down a level to where we were going to make our Krazy Kinetics.

It took a long time but when I finished it was super-duper crazy!

I had so much fun!
