**Jett's off to Space Camp** – I am pleased to announce that our efforts to support Jett's once in a lifetime event have been a resounding success thanks to the concerted efforts of members of our Community Engagement Team. Jett's story was reported in the Mosman Daily on July 19 – well worth a read.

**Premier's Debating Challenge (PDC)** - round 3 finished up yesterday at Seaforth PS with 1 win and 1 loss for the Mosman teams. Congratulations to the Mosman Whales on their win! The debate topic was challenging, however their skill proved no match for the Seaforth team. Mosman Kookaburras came very close to convincing the adjudicator that it was most definitely **not** beneficial for all children to be forced to do 2 hours of community service a week. We look forward to participating in the

final round of the PDC where Mosman Whales will verse Mosman Kookaburras. More details of the debate to come. Many thanks to the PDC teachers – Megan Clayton & Gina Burnet.

**Musical** - students in Year 5 and 6 have begun working hard on the Senior School Musical to be presented in Week 8 this term - September 11 and 12. Our musical will celebrate the iconic children's author Dr Seuss and will take us on a journey through his magical literary world. The musical is an experience that students will look back on fondly in years to come. You will be advised in the coming weeks as to ticket sales. Thank you in advance for all your support in making this amazing event happen. A huge thank you to the Muscial Team, led by Ms Campbell for what will be a wonderful extravaganza.

**Drama groups** - tomorrow the Junior and Senior Drama Groups will perform at the 2018 Drama Arts Alive Festival at The Concourse Theatre in Chatswood. The Festival has a long tradition of excellence and is regarded as one of the premier school drama festivals in the state. This year the Senior Drama Group will be performing a piece entitled *Life According to Google* and the Junior Drama Group are performing a piece entitled *Toy Story 4*. The students have been working tirelessly, rehearsing each week and we wish them all the very best. Many thanks to our Drama teachers: Mr Van Biljon, Ms Burnet & Ms Rees.

**Playground update** - last Friday July 27, SRC representatives from Stage 2 and 3 participated in the Schools' Tree Day by planting viburnum and agapanthus in front of the Gouldsbury Building – the beginnings of a hedge to encircle the school. Students had fun getting grubby planting and were proud of their efforts in rejuvenating the current garden beds. The event was also a great reminder of the importance of nature in our daily lives. Many thanks to Ms Mettam and Mr Firth for organising the day.

**Steve Connelly - Principal**

### Fathers' Day Stall

On Thursday August 30, the P&C is holding the annual Father's Day stall fundraiser. Students are given the opportunity to purchase something special for their dad, grandfather or carer (your child may purchase more than one gift).

Gifts cost \$10 and are available to purchase on flexi-schools only (no cash on the day) up until the Friday August 24.

### Absences

Regular attendance at school is mandatory and a written explanation any absence is required to be given to the classroom teacher, so that official records can be updated.

School officially starts at 9.00am every day. Please ensure your child is at school on time every day. If there is an incident where your child is late, an adult must sign the child in at the school office. A late note is generated and must be given to the classroom teacher.

If you are picking up your child early, you must sign them out at the school office, before collecting them from their classroom.

**A medical note from a medical practitioner is required after 4 or more days of absence.**

**Kerry McConaghy - Deputy Principal**

### From the Office

When students require a change of clothing for various reasons, the clothing is supplied via the office. It would be appreciated if the clothing is washed prior to returning to the office. Thereby ensuring that the next student, who requires the assistance of a change of clothes will be supplied with clean clothing. The school does not have laundry facilities on site.

## STUDENT HAPPENINGS

### 3-6 Athletics Carnival

Congratulations to all students in years 3-6 for an outstanding Athletics Carnival. Thank you to Michelle Brown and her amazing team of parent helpers and to all the teachers in attendance for assisting to put on such a successful event. Results are being tallied and finalised, including results for field events and notes for zone competitors will be distributed as soon as this process is completed.

**We're going to Nationals!**

Congratulations to PinPin, Amber and Fleur on their qualification to the National Cross Country Carnival. The girls will be competing over the weekend of 24-27 August at Maroochydore on the Sunshine Coast. It's a fabulous achievement and we're all so proud of them. We wish them all the best of luck and know that they will represent Mosman Public School and the NSW team with pride.

### Stage 2 Kitchen Garden Club

Each Thursday during Lunch, you will find the Stage 2 Kitchen Garden Club busy in the vegetable patch. We would like to thank the P & C for providing funds that we have used to buy plants, seeds, tools, crockery and cutlery. Despite the lack of rain, our herbs and vegetables have thrived and we look forward to harvesting in the near future.

**Amy Mettam – Garden Club co-ordinator**

## Premiers' Reading Challenge News

**Don't forget to finish the challenge by August 31**

All books need to be added by the above date.

Congratulations to the students whose photos are displayed on the **WOW WALL** in the library. They have successfully completed the Challenge!

All Kindergarten students have now completed the PRC and will have their photo displayed on the **WOW WALL**.

### Book Parade

The book Parade will be held in Term 4 Week 3. You will be notified of the date.

### Jeans for Genes Day

Did you know that 1 in 20 Australian children are born with a genetic disease or birth defect? That's nearly one child in each classroom!

Jeans for Genes Day is a national event aimed at supporting the work of the Children's Medical Research Institute, who tirelessly research genetic defects and childhood diseases. Their research helps diagnose, understand and find cures or treatments for children living with genetic diseases, cancer and epilepsy.

The good news is, Mosman families can help!

This **Friday August 3**, students are encouraged to wear denim and donate a gold coin, which will go directly to the Children's Medical Research Institute.

Would you like to help more? You can donate to the school collection box, found in the front office next term.

## P&C NEWS

### Father's Day Fundraiser Stall

**Just a reminder** that our annual Father's Day Fundraiser Stall will be held on Thursday, August 30. **The cut off for purchasing tickets is Friday, August 24 by 4:30.**

**Gifts must be pre-paid online via flexischools by the August 24** otherwise the children will be unable to attend the stall. **There will be no cash sales.** This ensures we have no money handling on the day of the stall and that the organisers have enough gifts available for the children to choose from.

Last Wednesday your child should have brought home a form for you to complete and return to your teacher regardless of whether or not your child is participating. Please return this form, again by **August 24** so we know if you've purchased tickets online or if you don't wish to participate.

We still need a few helpers to help wrap gifts on the day! We would love it if you could help out 9-11am or 12:00-2pm. Please sign up via this link if you are able to help.

## Living Mindfully: Building Resilient Families

Join Petrea King and learn ways to build resilience and emotional intelligence in our families

None of us are perfect parents! We are all doing our best given who we are, what happened to us as we grew up, our life experiences and what we made of that upbringing and those experiences.

The greatest gift you can give yourself, your children, your family and your community is the gift of your own good physical, mental, emotional and spiritual wellbeing. By being a living demonstration of how to care for these aspects of yourself, you teach your children how to do the same for themselves.

### ALESSIA B

Ciao from Italy! 17 from Italy

My fascination with other cultures led me to enroll into a school focused on foreign languages. I like to keep active and I have also been practising artistic gymnastics for over ten years. I can't wait to immerse myself into the Australian culture and I am very grateful to you for giving me the opportunity to do so.

WEP IS LOOKING FOR FAMILIES TO JOIN OUR COMMUNITY OF WONDERFUL VOLUNTEER HOST FAMILIES.

HOST A HIGH SCHOOL EXCHANGE STUDENT!

IF YOU HAVE AN INTEREST IN OTHER CULTURES, WE WOULD LOVE TO HEAR FROM YOU! REMEMBER, SOMETIMES THE GREATEST REWARDS IN LIFE COME FROM DOING THINGS YOU NEVER THOUGHT YOU WOULD!
